Student Agreement

In order to receive our team password, we agree to the following rules. If we break any of them, our group will be subject to removal from The SMG Program, and any other consequences implemented by our teacher or school.

RULES:

1. I will not change our team's password without permission. I realize my team members may wish to look at our account at various times of the day, and on weekends, and need to know the current password.
2. I will keep our password secret from other teams so they cannot use our account.
3. I will not make a trade without the agreement of all members of my team. I understand that everybody needs to know what is going on. I understand the portfolio belongs to the team.
4. I will not place any trades on our team's portfolio after 10:00 at night. I understand the national SMG computers are running portfolio and system updates between 10:00 p.m. and 7:00 a.m. Any trades placed during that time may not go through correctly.
5. When accessing our team's SMG account at school, I will Log Out of our portfolio account when I am finished. If I don't, the team that comes after me on the same computer could review our account.
6. When I am working in the web browser at school, I will not leave The SMG Program's web sites to go to other web sites without permission.

I, _____, agree to the above rules in order to participate in The SMG Program. I understand the consequences of breaking the rules!
