		Departmental Major or Electives See Bulletin	6
Total	15	Total	15

Total Hours for Year 4 - 30 hours

Majors vary from 21 to 36 hours. Electives vary depending on the size of the major.

College of Business Administration – General Notes Year by Year

This is only an example. Course sequencing will vary depending on various factors, including 2nd major or minor.

YEAR 1

Enrollment in Math 104 or 106 is based on results on the Math Placement Exam and prerequisite enrollment in Math 100A, 101, or 103 may be necessary to qualify

ACCT 201 – can be taken upon completion of 14 hours of UNL credit and MATH 104 or 106 with a C or better; and a 2.5 GPA

ECON 211 or 212 can be taken upon completion of 12 credit hours

BSAD 101 should be taken the 1st semester and BSAD 150 the 2nd semester; both no later than 2nd semester

ACE 4, 5, 7, and 9 (non-business requirements) and Electives can be taken in any order

BSAD 150 does not count towards the 120 hours required for graduation

YEAR 2

Sophomore standing = completion of 27 credit hours

Courses are interchangeable throughout year 2 as long as prerequisites are met

A 2.5 GPA is required to enroll ACCT 201 and/or 202 and ECON 215; students **must maintain a 2.5 cumulative GPA** throughout the program.

If 1st and 2nd year required course options are completed, most Year 3 options can be taken as long as prerequisites are met.

YEAR 3

Junior Standing = completion of 53 credit hours

Courses are interchangeable throughout remaining time at UNL as long as prerequisites are met

It is strongly recommended that you incorporate required prerequisite courses for your major in the 1st semester of the third year or sooner if prerequisites are met

All majors (except ACCT) must include an international business course in their curriculum; most must include business electives as well.

All majors must meet the requirement for 300/400-level course work outside the business core

YEAR 4

Senior Standing = completion of 88 credit hours

MNGT 475 – prerequisites must be completed to enroll with preference given to seniors graduating the same semester as enrollment

BSAD 98 – Senior Assessment – must be completed in your final semester

A 2.5 GPA is required to apply for graduation

30 out of last 36 credit hours must be taken at UNL

The Undergraduate Bulletin can be found at: <http://bulletin.unl.edu/undergraduate>
