# POST-GRADUATION CAREER OUTCOMES

## FOR UNDERGRADUATES 2018-19

### ACTUARIAL SCIENCE GRADUATES

The post-graduation career outcomes report reflects information on 60 College of Business undergraduate students who majored in actuarial science, seeking employment or continuing education (out of 901 total graduates). The career outcomes data presented are based on a knowledge rate of 97 percent for students who graduated between August 2018 and May 2019. "Knowledge rate" includes survey responses and information from other legitimate sources, such as faculty and LinkedIn, offering a more comprehensive view and considered a best practice of the National Association of Colleges & Employers.
