POST-GRADUATION CAREER OUTCOMES

FOR UNDERGRADUATES 2018-19

ECONOMICS GRADUATES

The post-graduation career outcomes report reflects information on 66 College of Business undergraduate students who majored in economics, seeking employment or continuing education (out of 901 total college graduates). The career outcomes data presented are based on a knowledge rate of 100 percent for students who graduated between August 2018 and May 2019. "Knowledge rate" includes survey responses and information from other legitimate sources, such as faculty and LinkedIn, offering a more comprehensive view and considered a best practice of the National Association of Colleges & Employers.

Successful Placement

Numbers represent economics majors from the College of Business

89%

secured employment or continued education within six months of earning degree
