MANAGEMENT GRADUATES

The post-graduation career outcomes report reflects information on 172 undergraduate students who majored in management, seeking employment or continuing education (out of 859 total graduates). The career outcomes data presented are based on a knowledge rate of 99 percent for students who graduated between August 2017 and May 2018. “Knowledge rate” includes survey responses and information from other legitimate sources, such as faculty and LinkedIn, offering a more comprehensive view and considered a best practice of the National Association of Colleges & Employers.

Successful Placement

88% secured employment or continued education within six months of earning degree
77% accepted employment.
8% committed to further education.
