POST-GRADUATION CAREER OUTCOMES

FOR UNDERGRADUATES 2017-18

SUPPLY CHAIN MANAGEMENT GRADUATES

The post-graduation career outcomes report reflects information on 45 undergraduate students who majored in supply chain management, seeking employment or continuing education (out of 859 total graduates). The career outcomes data presented are based on a knowledge rate of 98 percent for students who graduated between August 2017 and May 2018. "Knowledge rate" includes survey responses and information from other legitimate sources, such as faculty and LinkedIn, offering a more comprehensive view and considered a best practice of the National Association of Colleges & Employers.

Successful Placement

86%

secured employment
or continued education within
six months of earning degree

81% accepted employment.

5% committed to further education.

\$52,446

**average full-time
starting salary**

based on 28 reported salaries
and an 80% salary disclosure rate

This does not include those employed in
