SIGNATURE PROGRAMS, EMPLOYER ENGAGEMENT AND CLASSROOM OPPORTUNITIES

Professional Enhancement Program (PrEP)

This four-course series is designed to develop confident, professional and connected students for lifelong career success. Employers are an integral part of PrEP and provide industry expertise and connections to the business world.

Employer In Residence

Employers are featured each day during the school year to interact with students and faculty/staff. Employers receive special marketing via a student newsletter, social media, digital signs and targeted emails. Employers can use the day for engagement such as hosting an informational booth, offering a lunch and learn, providing résumé or social media reviews, or conducting practice interviews.

Business+ Workshops

Specialized training by selected professionals and experts ranging from basic knowledge to advanced training help students develop in-demand skills that employers need, such as software, client management, coding, trends and more.

Career Expenditions

Students travel to major cities to meet employers and alumni. Site visits may include tours, executive panels and professional presentations.

Career Readiness Certificate (CRC) for International Students

This intensive career preparation program helps international students majoring in business learn how to seek U.S. opportunities. Employers serve as panelists, networking hosts and session presenters.

Career Expeditions

This professional development opportunity teaches employers how to enhance their campus presence. The event includes breakout sessions, keynote speakers and networking. An Employer of the Year is recognized for their support of Nebraska Business students’ career development.

Presentations

Employers may have the opportunity through the Business Career Center to present directly to students in a class or organization.
