Online Live-Streaming Event – 2024 Agricultural Taxation & Management Symposium Sign-in and Sign-out sheet for Group Viewing

This form should be completed by those participants who share a computer during the live online event. For example, someone does not have a computer of their own and would like to join a coworker so they can follow the presentation within the same room, conference room or office. This is to prevent the issue of lack of registration through the same account or individual ID login within the webinar software.

Ethics and Honesty Statement: By signing this form you attest that you and everyone in the room was present and participating in the live-streaming of the event without distraction from other non-event activities.

Proctor/Onsite Instructor

Someone at the site must volunteer/act as the Proctor for a site that has multiple individuals utilizing a single sign-in to the online live-streaming event (this can be an attendee, you do not need to find an outside party to act as your proctor). The Proctor has the responsibility to make sure all individuals at the site are paying attention to the program that they will be receiving Continuing Education (CE) credits for and are not engaging in activities not related to the live-streaming event.

The proctor has the responsibility to make sure that they are able to maintain the equipment, are able to connect to the program via Zoom, and provide audio and visual of the online live-streaming event. The Proctor must provide assistance, if required, to individuals at the location, they must be able to ask questions via Zooms Q&A/Chat feature (software dependent), and be able to respond to questions that may be made available through a “Poll” feature of the webinar software.

The onsite Proctor is also responsible for making sure that everyone viewing the online live-streaming event at the site (including the Proctor) has signed-in and signed-out and that the printed names and signatures are legible. The Proctor will ensure the group viewing attestation sheet is scanned in and mailed back in adherence with the instructions below.

Onsite Designated/Volunteer Proctor/Instructor: With the following information I attest to having followed my responsibilities as stated under the “Proctor/Onsite Instructor” found within the instructions.
